“ *The time I lived with Auntie Adeline was a highlight. She and I sat up watching our shows (and we liked the same ones), talking about world events, friendship, work, life. She suggested better ways to get out the peanut butter, encouraged me, listened to me and I love her. Thank you Auntie Adeline for enriching my life and being an example of how to be a strong, smart and beautiful woman.*

“ *Words paint an imperfect picture of any person. The life of my Aunt Adeline as shared with me, her niece, was one of genuine caring and love. It is true to say she always made me feel accepted and wanted. A wonderful gift from my Aunt to me which I will always cherish. Much love to my dear cousins and their families.*

“ *I want to thank all family and friends who came to our aid with many visits to the house, phone calls, food deliveries, trips to the store for something or another, cards, flowers and loving hearts. You all helped us more than you know.*
