“ Sad to hear of his passing and my condolences to his family. Adrian was a friend and employee for many years. We had many good times going to concerts and sharing a common interest in rock music. He was always kind and considerate to my family and was very well liked. I hope he is at peace.

“ I am so sad to hear about Adrian passing. I had not seen him since high school yet remember he was always so sweet to me. I can still vividly see his smile and him wearing those acid wash jeans with the black leather jacket. Peace.
