

Advija Hrustic

May 21, 1966 - May 6, 2023

Advija Hrustic, 56, died on May 6, 2023 embraced by family after a terrible battle with cancer.

Advija was born in Bosnia and immigrated with her family to Australia as a young child where she first learned English. She later worked as a teacher in Bosnia and an interpreter for the United Nations during the Bosnian war. In 1998, her invaluable contributions related to the war granted her the opportunity to immigrate with her children to the USA. She found employment as a Job Developer where she dedicated herself to helping others succeed. She was a resourceful woman who would fearlessly stand up for justice.

Advija was known for her unwavering determination and boundless empathy, even in the face of adversity.

Advija loved to be in nature. She enjoyed long walks, appreciating the beauty of the world around her. She loved cooking for her children, road trips, and Elvis. She found peace in the simplicity of life's wonders and instilled in us an appreciation for the little things that often go unnoticed.

Advija's departure leaves an immense void in our lives, but we take solace in knowing that she touched countless lives with her selflessness, bravery, and humor. She was a wonderful storyteller with quick wit. She will forever be cherished and remembered as a beacon of strength and resilience.

Advija is survived by her 3 children Melina, Mahir (Addy), and Dzana (Gus), her grandchildren Amar and Amelia, her partner John, and her father-figure Ron. She leaves behind more family and friends in Bosnia as well as the US,

including her sisters Jasna and Termina.

A remembrance is scheduled for Sunday May 28, 2023 at 1:00pm at the Camas Community Center "Reception Room" 1718 SE 7th Avenue Camas, WA 98607.

We invite you to share your story about her with us. Always a warrior, may her spirit live on through the memories we shared and the impact she made.
