“ I am sorry to hear of your family's loss. Rita, I remember your Mother from when I was a little girl. My brother and I (Larry and Linda Meier) lived close and spent alot of time playing together with you, and I remember going to your house often. We too, lost our Mother just in April, and it it still fresh for us. I just wanted to let you know that I was thinking of you. Only if you want, would like to hear from you. Kind Regards, Linda (Meier) Lindauer llindauer3@comcast.net
