

Alan J. Parker

December 7, 1964 - July 15, 2009

Alan Jerome Parker came into this world December 7th, 1964, and left us July 15th, 2009. The son of Paul (deceased) and Barbara Parker, he was a lifelong resident of Clark County, and proudly laid claim to pioneer stock. Always smiling and happy, Alan brought joy and a sense of humor to the lives of Ingrid Barton, his beloved partner of over 11 years, his brothers Keith, Daniel, John, and Peter, his sisters Linda Jones, Patty Lovely, and Susan Lovell, and his many nieces and nephews. His open and warm-hearted personality made him a favorite of all who were lucky enough to know him. He enriched our lives. He was happy, kind, generous, and always joking. He was an accomplished metal sculptor and wood worker. Alan worked as a Technical Director at Stagecraft Industries for over 15 years, and enjoyed the friendship of many of his co-workers. Alan loved the world and everything in it, especially his dogs. He loved to ride his motorcycle in the hills above Washougal, and swim in the rivers. He was also very fond of tinkering with any electronics that caught his eye. He loved to build computers. The world will be a little sadder without him. He was loved by all. We miss you little brother.

“ I was one of the first persons on the scene of the accident. I'm sorry for your loss. He did not suffer if that is any help. He looked like a real nice guy. He is in our prayers. Cynthia Johnson

“ Even though our paths haven't crossed for quite some time, I will always remember what a great friend he was. I could count on a kind word, a shoulder to lean on, a smile, or a joke!! He will be forever missed!
