

## Alexander William Bushnell

November 3, 2006 - May 31, 2023

Alexander William Bushnell, went to be with the Lord on May 31, 2023 at the age of 16. He was born November 3, 2006 to Shawn and Stacy Bushnell of Vancouver, Washington. He is survived by his three brothers, Nathan, Patrick, and Matthew, his dog Teddy, as well as grandparents Christopher & Terry Bushnell of Battleground, WA and Douglas & Susan Byrum of Liberty Lake, WA.

Alexander went to several schools in the Vancouver area including Chinook Elementary, Eisenhower Elementary, Alki Middle School, and Skyview High School. He excelled at math and science and was part of the HiCAP and SMT programs during the course of his school life.

Alexander was a smart, funny, imaginative kid who enjoyed playing strategy games and creating his own board games. He was best friends to his three brothers and preferred to spend time with them at home playing games, helping them with difficult math homework, engaging in epic Star Wars space battles, or becoming a Dungeons and Dragons Dungeon Master. While on summer vacation to Liberty Lake Alexander enjoyed swimming, kayaking, and playing in the water with his brothers. He had great fun riding bikes with his grandparents and brothers while in Spokane. In the winter he learned to ski at Mt Bachelor, but enjoyed simply playing in the snow or having snowball fights. Video games came a close second to his greatest passion... reading which he partook of every chance he could get. Often, he would disappear for hours into his room diving into fantasy and sci-fi stories.

Alexander will be remembered for his true friendship and love for his brothers, his keen intellect, and his on-target humor. He will be deeply missed by all.
