

Alice Henrietta Farmen

May 30, 1922 - November 18, 2013

ALICE H. FARMEN May 30, 1922 ~ November 18, 2013 Our mother lived a full life with family and friends. Mom is much loved and will be so missed. Outgoing and interested in everything, mom was a beautiful woman inside and out. Mom loved music and dancing. She loved all animals and was very patriotic. Seattle was her home town and she never missed a Seahawks or Mariners game on television. A favorite getaway was to Reno with her daughter Alice and for many years she played in local pool leagues. Mom was sweet, lovable, feisty and very brave in later years dealing with a stroke. She loved Christmas and was always happy to see everyone who came to visit. Mom is survived by her four daughters, Susan Beacock, Jeannie Daggy, Alice Hendrickson and Mary Storm; ten grandchildren, great-grandchildren, great-great-grandchildren; and many nieces, nephews, and friends. Mom was preceded in death by her parents; two sisters; three brothers; and husband, Clarence "Bud" Farmen. Alice's family wishes to thank the Touchmark Assisted Living Team for their extra care and love for our mother. She loved you too. And thank you to Kaiser Permanente for always helping us obtain the best possible care for mom. Gravesite service at Evergreen Memorial Gardens will be held on Fri., Nov. 22nd, 2013 2:00 p.m. Please send your remembrances to Southwest Washington Humane Society. -
