“ *Amber was a beautiful soul, inside and out. So full of life and love she lighted up any room she walked into. She was selfless, humble, and a friend do to all those around her. Amber wasn't your everyday ordinary person, she had a way about her, rather it was her motivation, or the way she was able to get through to others and inspire them to be who you really are. Although I was only able to know Amber for a short time, the time I had spent with her will forever be cherished. I will never forget her, she was/is a truly amazing women. I wish her husband and family love and support. My prayers are with you all.*
