

Amy Ruth Henegan

September 20, 1967 - October 27, 2023

Amy Ruth (Koons) Henegan of Vancouver WA, age 56, passed away on October 27th 2023 at Kaiser Sunnyside Hospital in Portland Oregon, from cancer.

Every day, Amy lived her life with no regrets. She was spontaneous, adventurous, and always willing to try something new. She challenged herself and never let her own fears get in her way. She found joy spending time with those she cherished most and surrounded herself with people she loved.

Amy was born in Pasco, WA and spent most of her childhood in Montana where she graduated from Missoula Big Sky High School in 1985. Amy graduated from OHSU with a bachelor's degree in 2003 and worked as a Dental Hygienist at Kaiser Permanente in Longview WA. At the time of her departing, Amy was single.

It was Amy's goal to travel to as many places as possible to experience the culture and beauty of this world. Some of Amy's most memorable moments were her road trips with family and friends throughout multiple states and her European adventures. Amy also had a very competitive spirit, so when she wasn't traveling, she loved spending time with her "card group", always being strategic and trying to win. During quiet moments, Amy loved to venture off and find a nice trail, somewhere along the water, where she could relax and take in some fresh air.

Amy is survived by her only child, Brandon Henegan, her mother, Lauralea Welch, her sisters Mindy Welch and Melissa Carrigan and nephews Brett and

Brady Michels. Nephew Bryan preceded Amy in death.
Life is short! Take the trip. Buy the shoes. Eat the cake.
