“ To the family of Andrea, I am the mother of the young man who was also involved in the horrific accident that was the one who help remove her from the vehicle that night! When. Receive the phone call from on Thanksgiving night before he even spoke a few words I knew something wasn't right! And after he proceeded to tell what happened ; my heart was sinking more and more as he telling me what had occurred! And him telling me that is car was totally, and that intoxicated driver had cause all this to occur! And that it was others injuries as well... after hearing his voice and knowing that I couldn't get to him, since I live thousands miles from him it really took a toll on me! He is still trying to adjust his emotions to this. But I know it will take some time for the families, friends and co-workers to find closer...my sincere condolences and prayers goes out too each and everyone who is impacted....REST ON ANDREA 🙏🕊️
