ME

“ Andrew defiantly had a huge heart I remember when him and his wife let me and my 2 baby girls live with them for the short amount of time due to me losing everything. I remember always seeing him and when I would look at him pray for him the Lord would always make his heart very transparent and showed me how God viewed him which was a child at heart and just an unfailing love Christ specially had for him individually!!! I would always meditate on that love Christ had specifically for him because God's love for Andrew was always unfailing I felt it in my heart! Despite all of our struggles including myself I remember Andrew would always promote my spiritual gift from God and how important it was for me to maintain my walk ! He was a big believer in Christ and deep inside loved his two beautiful baby girls and my baby girls as well ! So much at one point they viewed him as a dad as well because he was always around my girls. Andrew I know your at home in Christ and at complete rest I pray for you soul on a daily and you are on my heart some nights and I know that's the Lord tugging on my heart to always pray on your behalf I love You so much. Love always Mel! Tears come to my heart and eyes when I think of you but I know it's of joy you are at Home again I LOVE YOU ANDREW!!!!!!
