“ I never knew our dear Anita's middle name was Rose! She was all that and more to Ray and I and our gallery SunRose. Her mischievious personality made our visits to her wholesale business always unpredictable and delightful. Her artful choice of inventory helped Ray and I create the vision for our gallery, and her kindness allowed us to keep the garden art section filled up, paying her back monthly, rather than all at once, which she knew we couldn't do. What we learned the most from our dear Anita was this: Pairs sell. Only, I thought she meant "pears" sell, and I was always on the lookout for pears! What a crack up when we got THAT straightened out! We are better business-people because of Anita...we are better humans because of the graceful way she faced her cancer...and like I told her once over the phone, thoughts of her will only bring a huge smile to my face....and she said to me, "That's exactly what I want." Love, love, love you Anita.....Ray and Cathy

“ Dear Clyde, Angel & family, We know you are grieving the loss of your dear soulmate, mother & loved one. At least we can all have peace knowing that now she has received the ultimate healing. My friendship with Anita has been special. We have had so much fun at recent old ladies birthday and slumber parties. I know Anita is now smiling down upon us as she dances in the clouds. My deepest sympathy for all of you.
