

Anita Jean Rivenburgh

December 22, 1958 - November 30, 2020

Anita Jean Rivenburgh died unexpectedly on Monday, November 30, 2020 of complications resulting from a liver condition.

Anita was born to James Rivenburgh and Jean (Adrienne/Addie) (Rivenburgh) Albertson December 22nd, 1958 in Ronan, Montana. The family spent a few weeks on Grandpa & Grandma Rosenbaum's farm outside of Charlo and then moved to Wisdom, MT, Anita's first home.

Anita spent her earliest years in Montana, starting school in West Glacier. Anita moved with her parents to Vancouver, WA in 1964/65 where she lived the rest of her life, residing always in her childhood home.

Anita received her high school diploma from the Fort Vancouver Center for International Studies and studied at Clark College, also in Vancouver.

She began working at the Bonneville Power Administration in 1978 and retired from Bonneville in 2015.

Anita was blessed with a son, Logan James Flintoff, on May 21, 1994. Always, she named his birth as the greatest joy of her life.

Affectionately known by relatives as "Nitie", a childhood nickname, Anita loved

animals, and almost always had a dog, a cat or both. Her earliest memories included a dog named Penny and, no doubt, her most recent canine companion, BB, is missing her now.

Anita enjoyed taking pictures and was a fairly talented amateur photographer. She loved bowling, going to the beach and the color purple. Anita treasured spending time with family and friends. Her favorite quote, "All who wonder are not lost," (J.R.R. Tolkien) speaks well to the way Anita lived her life, always exploring and always on her own terms.

Anita was preceded in death by her father, Jim Rivenburgh. She is survived by her son, Logan Flintoff (Arghawan Porharandy) her mother, Jean Albertson, her stepfather, Don Albertson and stepsisters and brother, Dawn Romaine, Susan Meier, Audrey Spence and Ronald Albertson.

Much loved, Anita (Nitie) and will be greatly missed by family and friends.
