“ *An Aunt is an Angel... who is assigned to you when you are born, then loves you ever after... here's to my lifelong much loved personal angel... you were such a wonderful woman & I'm thankful for the influence you had in my life, I have such warm memories of family times spent with you... God now has you in his keeping, but in my heart you'll always be... now you are my guardian angel.. sleep well in heaven, you will be missed... tell my mom hi! & continue watching over me until we meet again...
