“ Henry & family, I am so sorry to hear of your loss. Your mom passed away sometime this last yr. too, right. She called me after my dad passed away, which was about a yr. ago (May 22, 2010) & said that she couldn't drive anymore & to come see them. Sadly, I never got around to it & then I saw her obit. I just wanted you to know what a wonderful lady I thought that she was. watching Margaret all these yrs, etc. She was a sweet, sweet lady loved by all, including me. Margaret could be sweet as well & will be missed. I still miss my dad very much. He had severe lung problems the last few yrs. & was on oxygen all the time. He continued to be upbeat & in good spirits though until the end. Your mom appeared to be the same & never let life get her down. Hang in there, Henry. May knowing that others care help some. My thoughts & prayers are with you. Hopefully, you are a Christian & can lean on God & Jesus. They are what gets me thru it. May God Bless you.
