“ Dear Sweet Anna, We loved your smile. You had a way of making us feel like your own family. We love you and will miss you but we take joy in knowing that you are having a great celebration with your loved ones and you are enjoying the freedom from pain and suffering you were experiencing as we held onto you here. Go home, sweet Anna. We will see you again. In the meantime, we will make sure the Carmel ice cream is a staple in our house!
