

Anthony David Horton

November 19, 1978 - February 26, 2010

On February 26, 2010, God sent his angels to take our son, Anthony Horton, to a wonderful place with Him in heaven. He was 31 years old and everyone loved Tony. He is survived by his two sisters, Katrina and Amanda; his parents, Sandy and Larry; 10 cousins; and his grandfather, David George Vigna, Sr. Anthony graduated from Columbia River High School in 1997. He served two years in the Navy. After a 6-month tour in the Middle East, he returned to Vancouver. Our son loved working with all electronics. He was a whiz at hooking up cable boxes, satellite boxes, car stereos and alarms-all things his dad would gladly give over to him to do. He most recently worked as an Elevator Constructor Apprentice, a job which was challenging for him, yet he truly enjoyed the potential of following in his father's footsteps. Anthony had a heart full of love, care and respect for all his family and friends. His annual family Christmas videos will be sorely missed. But most importantly, we will all miss Tony so very, very much. God Bless You and Keep You, Tony!

“ Tony was like family. Our parents are best friends so I've known Tony my whole life. When we were kids we played with Grover stuffed animals and I had so many great memories with Tony. We went Parasailing and on the boat he rented one year in Lake Chelan. We had so much fun. It makes me sad I'll never see my friend again in this life. He was a great soul.

“ I will always remember the last time I got to hang out with my brother. It was over my Christmas break in 2009. I was home with my dog Cali and we took a walk to the park. He watched Cali and I run circles around the park on the trail and then we sat and talked for awhile at the picnic tables. I don't even remember what we were talking about but I remember feeling like I was finally getting to know my brother and building a relationship. Later that evening we went down to the bowling alley and bowled a few games. I will never forget how much fun we had that day. Love and miss him so much!
