“ Hey my dude! I'm so f***ing sorry big bro! My heart hurts. You can't be just gone. Not you. What am I saying? You aren't really gone. We used to joke and say death is just the start of our legend. Legends never die. I won't say goodbye to you. I just can't. I love you big bro. You stood by me when NO ONE else would. Regardless of the consequences. I'm forever grateful. And by the way, you better quit cheating and having God rig the Raiders/Broncos games! That's not f***ing fair! Don't think I didn't notice how right after you and God link up the raiders beat the broncos!? That's bu****it bro bro. D**n bro, this hurts. I haven't talk to them but I know your family is a mess without you. I love you big brother. I'll see you again. I know it. I'll stay remixing songs and I bet mine are funnier when we see each other again. Rest my guy. Cause when we all get to you we'll have a lot to talk about and do. No time for sleeping. With nothing but love and the highest regards WeeMan
