“ Art taught me to play raquetball many years ago. He was always kind and patient. I will remember his laughter. In the later years I did not spend time with him but I always considered him a kind soul. Rest in peace Art. Hugs to the family.

“ R.I.P Uncle Art. So many memories growing up and having you as an uncle. From being up at the house in Hockinson on the hill to the few family reunions at the beach to all of the Christmas gatherings; many wonderful memories. Sorry I could not be there but my thoughts and prayers are with all of my family in attendance.
