“ Dear Browns ~ I didn't know your parents, but oh, how we loved Sherrie when we both lived on Maui. And Pam, how I admire you for your ability to labor where you do. It wouldn't be easy to be so far away when your Momma dies. But your Heavenly Father will be right with you, we know. My love, Jeannie

“ Tom, memories of you, Audrey, and some of the older girls go back to my first years in this great Work Tama now shares in with us. Years came and went before we walked another stretch of road together in Vancouver. I know you are glad for Audrey's release from this life; we understand how each of you will be missing her in various ways and at various times. Tama, you were there when Mom passed away; we hardly knew our mothers would take their last step into the Father's eternal presence so closely together, did we. Now we can think of them enjoying all of the treasures laid up for them. I surely am thinking of you, knowing how much it would mean to you to be near by. You bid your mother your last farewell while you were still on this side, so memories of those times would be meaning much to you now. We blend our thoughts and prayers with others for all of you.

“ To the Brown family all over the globe, You are really around the world family. But no matter what nationality, no matter the age of the person, no matter the situation of the person, it is very hard to lose a mother. So thankful that you have such fond and warm memories of your mother. It has been so touching to me to see how all of you helped with such loving care for your mother. Some of it seen and some of it unseen. I would love to be there as I am sure that will be the case with many people who can't be there. With special thoughts to all of the family. Love, Linda

“ I didn't know Audrey personally but I do know Tammy Brown, Jeff, Pam and the girls. What a wonderful reflection they are of Audrey, their mother and grandmother. It is not an easy thing to say good-bye but what a wonderful heritage to go on to. This is a special comfort and encouragement for those who are left behind. You are in my heart and thoughts at this time and remember, you have a wonderful family to lean upon, both natural and spiritual. Karen

“ Her shield hung in victory ... a precious comfort! Tom, you and Audrey were married when Carrol, Virginia and I worked in Eugene! Even tho. miles and oceans separate us, fellowship with you and your dear family has continued, and will. We are so thankful to have Tammy over here, but not easy for those of you who are far away. Know His comfort will strengthen each of you. Tender sympathy,
