“ I am so glad that my wife and I got to spend a few hours visiting with Aunt Barbara before she passed away. She was positive and upbeat, determined to beat this cancer. We are sad to lose her, but comforted to know that her fight is over and she has returned home to our Father in Heaven. Many of those whom she loved are there to greet her, including my dad, her older and only brother. He always spoke so affectionately of his baby sister and I am sure he has warmly embraced her. We will miss you Aunt Barbara!

“ Aunt Barbara has reunited with Uncle Dewey, Grandpa and Grandma Lakey and Uncle Jimmy, along with many special cousins and Aunts and Uncles. I am thankful her pain is over, and she is at peace. My heart aches for my cousins and family, My sincere sympathy along with a giant hug for all of you is sent your way. So sad I wasn't able to make her service.

“ *Barbara was my only sister and it is hard to give her up but I know that she is in a much better place now, free from the pain that she has endured here on earth. My heart goes out to her children and grandchildren and great grandchildren. Barbara was affectionately known to them as "GG". I want her family to know that Ray and I are here for them anytime. Love to all of you!*
