“ How do I say good bye to my beautiful Aunt Barb? The women who gave so much to me and never asked for anything in return. I will miss her so much. I love her and will never forget the great times we had staying at her house and her sewing clothes for us when we were little. Playing games, going to the beach, baking, and letting us slide down her stairs on that big wheel, the love and patience she had for all of us was amazing. I will never forget the love she gave me. Rest in Peace. I love you Aunt Barb.

“ There are too many memories to just write about one. Barb was like a second mother to me thru my high school years and was there for me when I needed it... I'll never forget how hard she worked at trying to get out the burger smell from our Burgerville uniforms. Unfortunantly nothing ever worked. Or the way she would chuckle at Shelby's jokes.... (to jami: remember when Shelby sang "Dear Mama" by 2pac to her....halarious). Anyway. I love u Barb and will miss u forever! Thank you for everything

“ *To Barb's Family: I enjoyed knowing and working with Barb at the Landerholm Law Firm. She was very helpful to me when I was starting in the legal field. Her children and my children were about the same ages, so it was fun to talk about their growing-up years. Barb was a wonderful person and I know you will miss her. Remember the good times. Sincerely, Kaye Nelson*
