“ Gram, I miss you. I have too many memories to share, a lifetime full of happy memories with you.

I know I will see you again in heaven (because of the things you taught me), in your most perfect form. Of course, you were already perfect to me.

“ I miss you so much mom and the simple pleasures we enjoyed together. Going to the mall, shopping at Bed Bath and Beyond for a new pillow and a cookie jar for your favorite home baked cookies, and our walks around the facility. I love you! 💕

“ Our deepest sympathy to each of you in the loss of your mother. The first time I met Barbara was her first visit at church. Her granddaughter Danielle and great granddaughters Emily and Sonny came with her. I would pick her up on Sunday's and take her to church. Barbara always said that we were meant to be friends, and I 'm sure we were. We discovered that we both were born in Arkansas and then moved to California. Over the years, we became very close friends. Barbara loved God and her family very much. She would spend a lot of time reading and studying her Bible and praying for others. She was my very special friend and I was blessed in knowing her. I will miss her. I will think of Barbara as living in the hearts of those she touched... for nothing loved is ever lost and she was loved so much.
