“ To Bea's family, My thoughts are with you at this time, I keep thinking of all the good qualities Bea had. She had high standards, was gracious and generous and was an asset to our neighborhood. She was always friendly and never seemed to meet a stranger. She was missed after her move and we'll never forget her. I am so very glad she got to go on her dream trip to see her old home. She welcomed everyone into her home and life, and was lively and interested in all things. I know there will be an empty space in your life, but she has gone to a better place, and we'll meet again someday. I'm sorry for your loss. With Sincere Sympathy Margaret
