“ Mom when you left us my heart broke into a million little pieces. I am happy you are not suffering anymore. But I miss you more than words can describe and I am so so sad for me. I would give anything to bring you back and give you one more kiss, hug you one more time, have you get mad at me... I love you so much!!! The love you blessed me with will fill my heart forever!!! I love you my sweet precious Mommy!!!

“ To the family of Berniece: I was sad to hear about the passing of my cousin, Berniece. We had a very close relationship. She was just like a sister to me. She taught me how to dance when I was about six years old. We always had fun together. I loved her very much and send my love to her family members. Love, Dennis Norton.
