“ Con el más profundo dolor, dedico estas palabras a mi abuelita:  
Mama Tita.

*Siempre has sido y serás un ejemplo para mi, tu amor, tus cuidados y tu forma de ser hicieron que atesore muchos recuerdos, todos ellos hermosos. Mama Tita, siempre vas a ocupar un lugar especial en mi corazón y de alguna manera sé que no te has ido. Guardo en mi cofre de oro todo lo que me diste.*

*Envío un abrazo al cielo, hasta siempre Mama Tita.*

*F. Sofillita, como solías llamarme desde niña.*

“ Mama Tita: profundamente conmocionada por tu pérdida, pero agradecida por todo lo que me diste de ti, por enseñarme el significado de dar, de la compasión, del amor. Aunque físicamente ya no estés para mi siempre vivís a través de los recuerdos tan lindos que dejaste, por todo lo que me cuidaste y protegiste. No pude tener una mejor abuela, agradezco infinitamente que hayas sido parte de mi vida. Espero que nos volvamos a encontrar. un abrazo tu nieta -Clara.

“ I will always remember mi Tita. She is a very important lady in my life. She was like a second mom to me. When my father left my mom and I, she came and helped raise me. I was not an easy child but, she always loved me and gave me patience. She was always there, and a consistency in my life. She was there for all the important milestones of my life. I got to spend my life with her since I was a small child and I love her like a mom. It hurts me deeply that this occurred so suddenly. But I am glad she is in heaven with Jesus and am happy that the lord did not let her suffer.
