“ I convey my sincere condolences to Marilyn's entire family. Marilyn was a beautiful person inside and out. My friendship with Marilyn started in grade school with seven of those years playing clarinet. Marilyn was fun, humble and witty. She will be so missed

“ To the family: I send my condolences as I know you all loved her very much. She was such a beautiful, sweet girl all her life.... I remember many times going to her parents grocery store to meet in the mornings to walk to school together. I was envious because she could just walk into the store and get all the twinkles and "good things" for her lunch. We remained friends all through our school years. We both were members of the "Ivy League Raquet Club", which was really a group of couples from RALong and the Community Church youth group. We had fun parties and even had a "victory Fidel Castro" party...in costumes no less!! She will always remain a beautiful, thoughtful and dear friend in my mind. I so appreciate the years of loving care you all gave her. Sue Kiser Barter

“ *Marilyn,  
Was beautiful and gracious and funny. Marilyn was in an investment club of some the most delightful women, and Marilyn was always kind, and she worked on in committees of the Children's Trust with in the Community Foundation of South West Washington. Cheerful witty giving and warm, and she was full of fun.  
In time her illness took from her the attributes that made her Marilyn and we missed her while she was still with us. Our Lord has welcomed Marilyn for the giving and warm person she was an now again..*
