“ To Betty Jo's Family , May God be with all of you at this time and may it comfort you to know that her friends are keeping you in their thought's and prayers. We have known your mom for many years and always enjoyed her happy smile and loving personality. She loved her family and everyone knew it. We haven't seen her in the last few years but think of her often. She will be missed by us all. Love to you all.

“ Condolences to Betty Jo's family. She was my happy first cousin once removed. I enjoyed her help with genealogy. She was a joy and will be missed. Dick Lorenz
