“ *Betty "JoJo" Sipert was love, grace and light. She always helped us see the best in people and in ourselves. Aunt JoJo only saw the good in people. She never took sides earning herself the nickname of Switzerland. Jojo filled our lives with love, laughter and wonderful food.*

She always brought us each a gift from her exotic travels. She gave me my first haircut at 3 and my first "perm". Aunt JoJo crafted the beautiful florals for my wedding and helped with my daughter's years later. As a child I would get to spend a week each summer with Aunt Jo, Uncle Al, Tania and Terry. At the end of each week she would take me shopping for a new outfit for school. I felt like a princess. My Aunt JoJo is a golden thread in the fabric of our family. She will be forever in our hearts.
