*Bea was my cousin. Our mothers were sisters. Since Bea was several years older than me and we didn't live nearby, we didn't know each other well. About 15 years ago I was in Portland, OR and met Bea and Janice at a restaurant to share a meal and talk. I hadn't seen them in over 30 years but it seemed like yesterday. Bea and I have been friends on Facebook ever since. I am so thankful that we were able to reconnect. Bea will be missed by many.*

“ I'm Bea's cousin Lora Cunningham. Our mothers were sisters. When Bea and Bob drove through Northern California, they parked their RV in Trinidad, CA, and invited Mike and I to a great salmon dinner. I felt so honored!
