“ *So many great memories of this fine woman it is impossible to list them all. We had so many great times with Beverly and Bob, playing cards, casino hopping, traveling along with them from AZ to MS. I'm sure Beverly saved Gingers life in Yuma, AZ by forcing her to go the emergency room while they were on a shopping trip. She was always willing to help others. Dearly miss her and her sense of humor.*

“ *So many memories. Thank God Bev was there when Shawna and Melody were kids. I looked to her as the best example of how a woman should and could live through all seasons of life with joy and strength. Bev, you are loved eternally. Missed forever. Enjoy dancing with the Angels. Kiss Baby Cooper's sweet cheeks every day. We look forward to seeing you at Heaven's door.*

“ We met the Chaneys' over 10 years ago while RVing. Beverly we found to be a very personable, caring lady. We will always remember her sense of humor, the card games, the casino treks and shared family talks. She will be missed tremendously by us and I'm sure all who came in contact with her. God Bless
