“ so many fond memories working with Bev, so much life lived. My family received many baby booties, blankets, hats that were knit with love from this amazing woman. I last saw Bev in 2007 when I was in search of some yarn that had been discontinued. I called to see if she might have some. Of coarse she did and was willing to share with me. My deepest condolences to her family and friends. I wish I could be there to hug you all.

“ My deepest condolences to Bev's family. I last saw Bev in 2007 when I was in search of a yarn to finish my project that had been discontinued, she of coarse had some to share. I worked with her for years and she and I had some great laughs and a few tears over the years. My family received many baby hats, booties and blankets from this amazing woman. She will be missed.

“ Sending love and comfort to the family! Aunt Bev was the nicest person in the world, she will be missed so much! Loved how she always came down to do art with Grandma & her siblings.
