

## Beverly Jean Scott

July 29, 1948 - March 28, 2023

Beverly was Born to Russell & Isoline Sprague in 1948. She passed on March 28, 2023. She is survived by her husband of 55 years, Gerald L. Scott, three sons Mark, Michael, and Monte of Washington. She is also survived by her siblings Larry Sprague, Gary Sprague, Cheryl Estrada, Randy Sprague, and Leslie Urton all of Washington. She had 10 Grandchildren and 15 Great Grandchildren. Many Nieces & Nephews looked up to her like a mother and their children called her grandma. Beverly had a fulfilling life and enjoyed time with her family. She always enjoyed her time with the babies; her grandkids, as well as her great grandkids. She always glowed when she was with her babies.

She enjoyed camping and road trips. Many evenings she would spend her time painting, crocheting, making macramé, she loved to make the little ones outfits, and other crafts. She really enjoyed planting flowers outside in the springtime and watch them bloom, she loved having a garden out back for vegetables as well. She loved to cook with the kids and teaching them to cook and bake. One of her favorite things to make was her doughnuts and call all the family over when she was making them while they were still warm; she carried that recipe she got from her grandmother on. Beverly touched the hearts of many people over the years, she was a more incredible person than you could ever ask for. She is deeply missed.
