“ I have so many fond memories of Bill, Mary and Bonnie. We lived next door. I remeber watching Bill paint signs, I was just commenting how his skill is a lost art. I remember the HOT summer nights watching color TV on the Gladsons back patio, we had a black and white and the Gladsons had the first color TV I'd ever seen. I know after all us kids grew up and moved away my parents enjoyed visiting with Bill and mary. One more note I will allways remeber Bill comforting me after I saw my Dog get run over by a car. I was maybe 12 at the time and my dog had been my best friend as long as I could remeber. For me it was very tramatic and Bill was there because it happened in front of his garage. He was so kind and I think truley hurt seeing me be so hurt. I will allways remember that time we shared.

“ I was fortunate enough to see my Uncle Bill and Mary in February of this year. After all their years of marriage they were still holding each others hand while sitting on the couch. I have fond memories of every Christmas Eve at my Grandmothers home Pauline Gladson with Bill and Mary and my cousin Bonnie. I also remember being about 7 years old and being fascinated watching my Uncle paint such beautiful ads for the Keil's stores. I will miss him so much. He was always such a kind and gentle man.
