“ One of my fondest memories of Uncle Bob was bumping into him at the River Queen lounge. I just took a job on a ship that was docked close by and showed up after work to find Bob there with his co workers. He asked my chief engineer to watch out for me. Rest in peace Bob.

“ I will always remember my Uncle Bob with great fondness. I loved visiting Bob and Shirley growing up. They could tell the best stories and could always make me smile. He was such a great big brother to my mom.
