“ I met Bonnie while we both worked at Sacajawea Elementary School. Bonnie was fun, kind and a very good to everyone. We enjoyed traveling with her and Jerry to camping and an adventure in Tahiti. Playing cards and enjoying her great cooking was a hit. She loved her family with everything she had. I would never leave her home without her giving me something she thought I needed. I miss you Bonnie, rest now with your love ones. ❤️ Georgie and Jack Sprinkel
