“ I met Brad in 1983 during my apprenticeship at BPA and while he was still working as a Cement Finisher. He was so much fun to work around. He was such a support base and mentor to me during my training. I can rarely remember times when Brad wasn't upbeat, positive, and funny. His smile and laugh were contagious. Thank you Karla and family for sharing him with us for so long. It was an honor knowing and working with him. Hugs and Love, Cindy Franke and Frank

“ Little buddy and I traveled together in construction for 25 years. In that time we became pretty close. We road to sturgis a few times and several other motorcycle rides together. He was always willing to share his tools, time and his family with me. Our next adventure was planning a trip to The Price is Right. I will miss our chats about the road stories we chiseled out together. I will miss him. Rest in Peace Little Buddy
