All I can do is be numb right now I feel like everything is in slow motion and that no matter what we find out that happened it wont explain a dam thing bcuz none of it can bring back your amazing smile and contagious personality it seemed u always had the answer and were always there to help and be there for everyone u knew!!! U saved the very most important thing in my life and that was Lexyy at a time for the first time in her life I was at a loss I couldnt fix it for her but u did qnd for that I will forever be grateful!!!
