“ I'll always remember our tarmac-side catered seats at that Hillsboro air show.. How I turned up the heat in my little CRX as high as it would go - just to see how long it would take for you to say something. You were dripping in sweat by the time ... And then there was the time I asked you to let your hair down .. and you did. You crossed my heart. For that you will always hold a special place. Always Love, Glenn

“ Though I didn't have the pleasure of knowing Brenda outside of the workplace, our interaction with Brenda throughout the work week made it a joy to have her as one of our favorite technicians. Her presence and personality will be missed and I'm fortunate she was able to touch my life before she left us. Sincerely, Teresa Griffith
