“*Uncle Bruno will be so very missed. He was huge part of our lives, by taking the time to spend quality time with all of us. Memories of guitar singing/chili eatin/gun slingin/mountain hiking/Jensen's shoppin/adventure seeking will forever be in our hearts. He was truly a remakiable man, shining through adversity and loving his wife/children/grand children and family. It was an honor to be in his life. We look forward to reuniting in Heaven one day. Aunt Doll- our prayers are with you.*

“*I will miss you Bruno. I could always count on you having a smile on your face and a joke ready to tell when we saw each other. I too remember the trips we had taken over the years and the songs you would sing & play on your guitar, & a few rides in your airplane. My deepest sympathies to you Doll, Brett, Kristen, & Jan. "What it is, what it was, what it will be, someday Bruno."*
