“ Never forget him as a person and the incredible balance he had on a bike. I worked for Penton West Coast Distributorship and he rode for us, first 175 on the West Coast and took first place. I did all the shipping of Pentons to dealers. Now, a special memory for me thinking back about him and history of riding. Glad to have known him.

“ Carl used to bribe me with flowers to give him the best kids for his youth basketball team. It always worked! Loved that man ❤️
