“ Lots of nice memories growing up with family outings at the Don-EI motel, going to parks, Euclid Beach and Geauga Lake with Aunt Ann, golfing at Boston Hills and visiting at Bowling Green University. We cheered on the Browns and Indians through all those difficult years. Hopefully the Tribe will win it all for you this year. We will miss you Carl. Bob and Jean

“ Carl was my golf partner...which made him my best friend. I will forever remember the joyous hours we spent playing our great game...laughing and joking as we toured places on the course others feared to venture. Neither rain, wind, heat nor cold could stop us...and watch out God...Carl can hook it from any lie. May you rest in peace with your trusty "rock club" at your side. God bless. You will be missed!!!

“ Carl had away of making everyone around him feel like family. On the golf course he was always competing with Spence, to see who could hit the ball farther( pass that hit). Carl was also know as Cleveland, for the Browns,and Indians. He will be surely missed by his golf partners, and by everyone him came in touch with. Carl rest in peace, and God Bless your family.

“ Carl, Spence Anderson, Merced Quintana and I had a regular Sunday golf group. Carl not only proudly showed his love for all Cleveland teams, he also owned every golf gadget known to man. There wasn't a spot on the golf course that Carl couldn't say "I've been there before!" Great man -- he'll be missed! May he rest in peace. Prayers to family. Please accept my condolences, "Sloppy"
