“ Carol and my family shared much fun we always would go camping to Prineville Oregon and we had a blast. my kids Chucky and Sherry always loved going to their home in Washington. I wish we could have come to her memorial, we all will miss her very much her smile and the way she laughed. Love the Hanscom and Wheelers

“ Carrie, Tim and Family, I just wanted to let you know that I am thinking of you all and am sending my love. I have many wonderful memories of being in the LaGesse home and how much your parents always made me feel at home. Carol was always so kind to me. I appreciated her sweetness.
