“ Carol I'm going to miss your sweet words. You always had something nice to say. I cleaned your home for almost 10 years you never looked down at me but treated me with so much respect and appreciation. It's been hard to accept that you are no longer here but you are not suffering with pain. So glad to have met such an amazing soul. May you rest in peace.

With love, Carmen M.

“ Carol, Thank you for the 12 years that you and I shared together. I love you and miss you deeply. I will always cherish the time we had together. When we got married and bought our house in Vancouver, you made it our home. And it was our special place.

I pray that you are now free of the pain that you endured and that you are reunited with your little sister, and the rest of your family.

Your Loving Husband,

Gary
