“ *Everyday I see you in my life and it brings me comfort knowing you're saying hi. I'll miss you forever great grandma. One day I'll see you again and feed the ducks and pick the cherry tomatoes from your garden. I love you and thank you for sending me my son Jesse ❤️ he's perfect.*

“ *I wake up everyday wondering where you went. I talk to you when I walk around the house doing my laundry and vacuuming because I miss our catching up on news and chatting. I can only hope that you are with Grandpa and you guys are watching us and are happy. We will all miss you forever and ever. The kids think about you all the time and snuggle their Christmas blankeys from Great Grandma. We love you.*
