

Carole Ann Irons

March 24, 1938 - March 7, 2019

Carole passed away unexpectedly the morning of March 7th, 2019. She was surrounded and supported by her loving family during the remaining days of her life. Carole was born in Portland, Oregon; however, she has lived in numerous states throughout her life. She did return back to Oregon in 1977 where she remained for the last forty-two years.

Carole enjoyed spending time with her family; traveling frequently during her early years of marriage. She was very creative and made many projects with her grandchildren. She enjoyed taking care of her plants out on her patio; for she was a green thumb and could make anything grow. She also possessed an avid love for animals of all varieties. Watching her hummingbirds enjoy her garden was a favorite pastime.

Carole is survived by her four children: Cathy, James (Mike), Lori and John (Bob); four grandchildren Kristen, Kevin, Mariah, and Janelle Anne; and one great grandchild Lilyanne.
