“ Thank you Danny for a wonderful memory.

I am still getting used to my phone, not ringing all the time. I am sure that she is enjoying life without a wheelchair and her kitties next to her and she can eat whatever she wants. God bless my sister.

“ Carolyn's cats were waiting for her as she stepped onto the RainBow Bridge. Her babies took her hand into their paws and led her across the bridge. They are all together again to explore what lies ahead, in eternity?? 💕 Danny
