

Carson Sipe

August 6, 2010 - July 1, 2024

Carson Roland Sipe took his final breath here on this earth and his first breath into eternity and perfect peace with King Jesus July 1st, 2024, after a fight filled with faith. His family, who loved him so dearly surrounded him comforting him in love until the very end. Carson made his entrance into this world with an easygoing spirit on August 6th, 2010. The joy that lived inside him, changed the hearts of all who knew him. He lived a short but passionate life that was evident by his contagious laugh, generous, compassionate and always humble heart. Carson wanted to experience all that life had to offer. It would be impossible to share his wholeheart. Some of the things that he loved so dearly were his times playing airsoft with his brothers. Making sure he covered every person he loved with Christmas gifts. His involvements with school, where he thrived academically and creatively shining so bright as stage manager for his 8th grade play of "Newsies". Being outdoors was very special to him, whether it was camping, fishing, archery, shooting or swimming. Diagnosed with Osteosarcoma, he fought with incredibly bold and unwavering faith. Despite all the hardships of this journey with hospital visits and treatment, Carson's spirit remained unbroken and sturdy continuing to inspire everyone with his humor and ever infectious laughter. Carson will be deeply missed by his devoted parents, Raymond and Carrie, his loving siblings Ashley, Dakota, Hunter, Tanner, Colbey and Saige, his grandparents Terry Gillingham, Sharon Sanders, Sally Smith, Wayne Smith and Great Grandmother Verna Mary Gillingham. We choose to cherish his memory forever and although his

time with us was far too short, Carson's legacy of courage, kindness, and positivity will continue to inspire and uplift us in the days ahead. A celebration of Carson's life will be held at the Promise Church in Woodland, Washington on Saturday July 13th. In lieu of flowers, the family would love to have Lego sets donated to Randall Children's Hospital. Please be encouraged to order through the link below, or bring a Lego set to Carson's celebration of life. Lego sets between \$10-\$40 are easiest to complete while in care at the Hospital. <https://www.amazon.com/registries/gl/guest-view/G0DGVSLV3YKN>
