Casey Christeen Hunter passed away Thursday, July 30th 2009 at Doernbecher Children's Hospital in Portland, OR. She was born on August 24th 2006 in Vancouver, WA. Even though she was only on this earth for a short time, she touched many people. She had a special way about her that made people smile. Casey enjoyed spending time with her family and friends, and trying to keep up with her big sister, Rowan. Casey was always such a happy little girl. She enjoyed being outdoors, and also really loved dogs especially her stuffed dog "Pepper." Everyone who knew her appreciated how she was so "Casey." She was very polite and continued to be her adorable, loving self, even during her recent hospital visits. Although diagnosed with nephrotic syndrome in June, Casey's death was sudden and unexpected. She will be missed forever by all who knew and loved her. She is survived at home by her parents, Holly (Gillespie) Hunter and Craig Hunter II, and her older sister, Rowan Hunter. Casey is also survived by her Grandparents Joy and Vern Earhart, Grandfather Craig Hunter, Aunt Kendall Freeman, Aunt Cristi (Rick) Dahlstrom and cousins Jordan, Jocelyn, Austin, Zach, and Brandon. She is also survived by her Papa and Nana, Al and Sundii Gillespie, Uncle Geoff Gillespie, Uncle Ryan J. Gillespie as well as Cousins Elliott, Celia, Samantha, and Allie. Casey also is survived by her Great-grandmother Wilma Gillespie as well as numerous other well loved family members and friends. If you would like to provide additional support to the Hunter Family in their time of need, Casey's parents have established an educational needs account (the

“ It's been so long since she's passed, but I still think about her every single day. She was more than my sister, she was my best friend and my confidant. We were supposed to take on the world together. Maybe in our next life. She was kind and independent as well as capable and strong. She helped me become the person I am today. I am inspired by her light and her beauty that shone from within. She was such a ray of sunlight and excitement bubbled up into a person. I love her always and I'm left with an achy hole in my heart that will long for her forever.

“ Casey was a very special girl. she could always put a smile on my face. Even though I didn't spend alot of time with her. Everytime I watched her and Rowan I became much happier. I know that she is happy where she is because angels are taking care of her.

“ Chief, it is obviously not often that I am at a loss for words, this is about as close as I get. I wanted let you and the family know that we had a special prayer for you and your family at my church yesterday. We prayed for strength, wisdom, courage, and family unity in this very trying and difficult time. You have a special place in my heart and I wish you well. God Bless

“ Thinking of Casey always brings a smile to me. The way she was always on the run to keep up with big sissy (aka - the princess!) The beautiful gap toothed smile of hers, so precious. She was truly a gift for the short time she was with us and I'll miss her terribly. My condolences to all of us who knew and loved her. Auntie Karen
