“ *I met Chuck at Hudson's Bay High School in Mr. Bonnell's Spanish class. Chuck's knowledge of sports amazed me. He knew every single detail about every single player and team from high school, to college and all the pro levels. Chuck and I camped out, fished, drank and talked story. Chuck's never give up attitude always inspired me. Chuck never judged was always supportive and was a very good friend. I'll never forget the Xmas Eve Chuck surprised me and called from Waikiki. I will miss Chuck Bergstrom.*
